### Results in Saluda.

A special to the State of Thursday says:

Saluda, Aug. 31.—The parties bringing returns of yesterday's primary have utterly failed to make reports concerning the State offices; only six boxes having been heard from as was wired last night. Nothing further can possibly be obtained as to them until the official count can be had. The 27 precincts now in out of 29 give Mayfield 917, Patterson 231 and Williams 637 in the race for congress. In the race for Solicitor Geo. Evans has 379 votes, Rembert 101, Logan 22, Simkins 265 and Timmerman 969. Blaise was elected over Forest in the race for State Senate by a majority of 250. Daniel leads for the house with a vote of 845, followed by Webb with 661, Lester has 599, Edwards 499, Whitman 467, C. B. Evans 378 and Whittle 278. Daniel, Webb and Lester will be in the second race for the house but it is uncertain whether or not Williams or Edwards will be in it.

W. S. Crouch was elected probate judge and Pitts was elected clerk, both men doubling the votes of their opponents. In the race for sheriff Bodie leads with Ben Sample a close second. Both will run over. White was re-elected treasurer over Satcher by a majority of 150.

Clyson leads for Coroner with Gilson in the second place. There will be a second race for this office. Padgett will probably lack a few votes of being elected supervisor over all his competitors, but it is possible that the outstanding boxes may even put him in. The election has been the most orderly and quiet that has been held for many years.

We wish Dr. Snyder to again come to our town and give us another lecture.
